

NUUA

The Norwegian-Ukrainian University Alliance

Memorandum of Understanding

Preamble

Due to involvement of all below mentioned universities (further termed the Partners) in the project “Retraining Military Officers in Ukraine and other Law Enforcement Agencies, Retired Members and their Families and their Employment Assistance” (further termed the Project) during fall term 2014 and recognizing importance of mutual long-term university cooperation for the benefit of the Norwegian-Ukrainian cooperation, all below mentioned Partners have agreed to the following:

Article 1

To promote and increase mutually beneficial activities between the Partners for developing new competence needed for promoting Norwegian and Ukrainian cooperation.

Article 2

The Partners will work jointly by stimulating research, education and dissemination activities in the areas they find mutually interesting and beneficial.

Article 3

The Partners will work to generate joint fundraising activities in relation to Horizon2020 and other relevant EU programs.

Article 4

The partners will promote the Norwegian-Ukrainian University Alliance at conferences, workshops, seminars and other events when relevant.

Article 5

For each concrete project there will be a separate agreement describing obligations and rights of the Partners.

Article 6

The Partners agree that the Norwegian-Ukrainian University Alliance can at any time be expanded by allowing more Norwegian and Ukrainian Universities become members.
